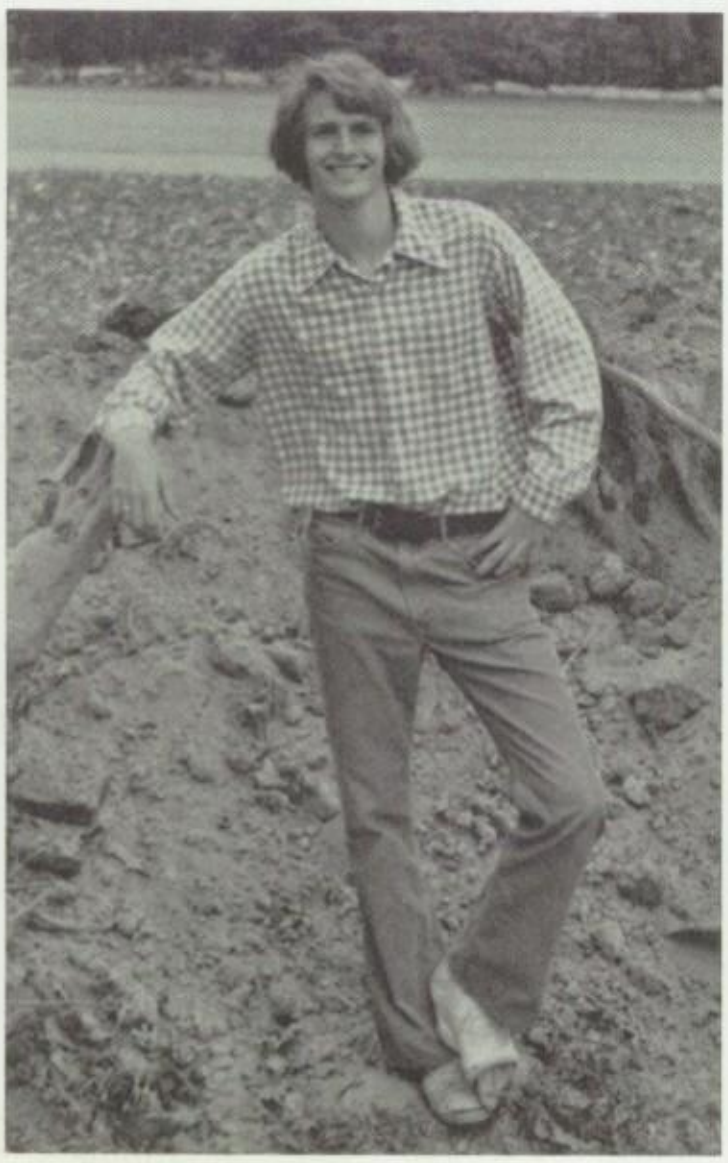
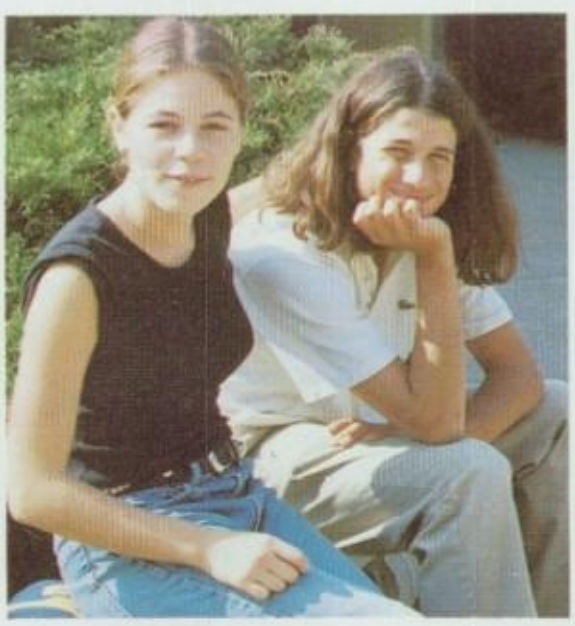
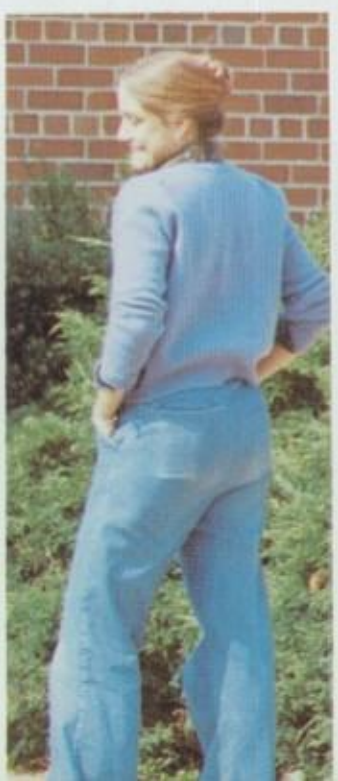
May, 1976 Vol. XLI

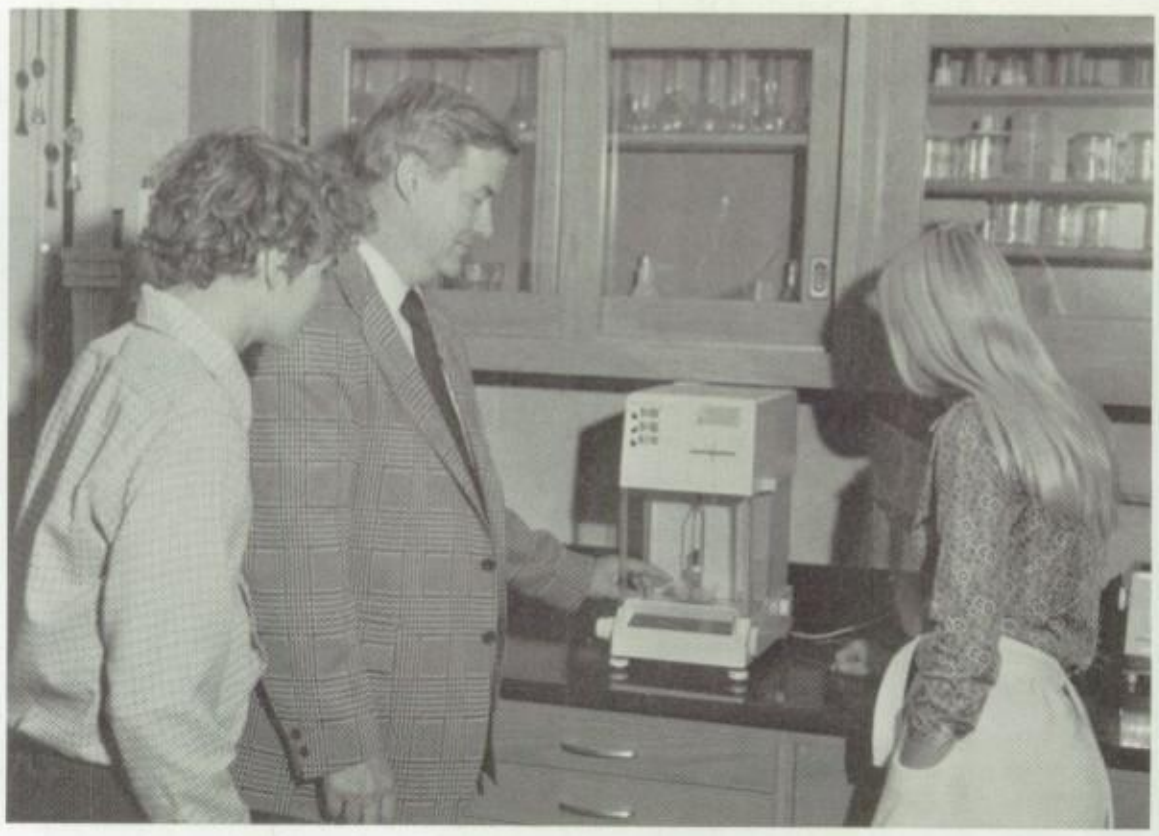
"Life is not made up of great sacrifices and duties, but of little things in which smiles and kindness and small obligations, given habitually are what win and preserve the heart and secure comfort."

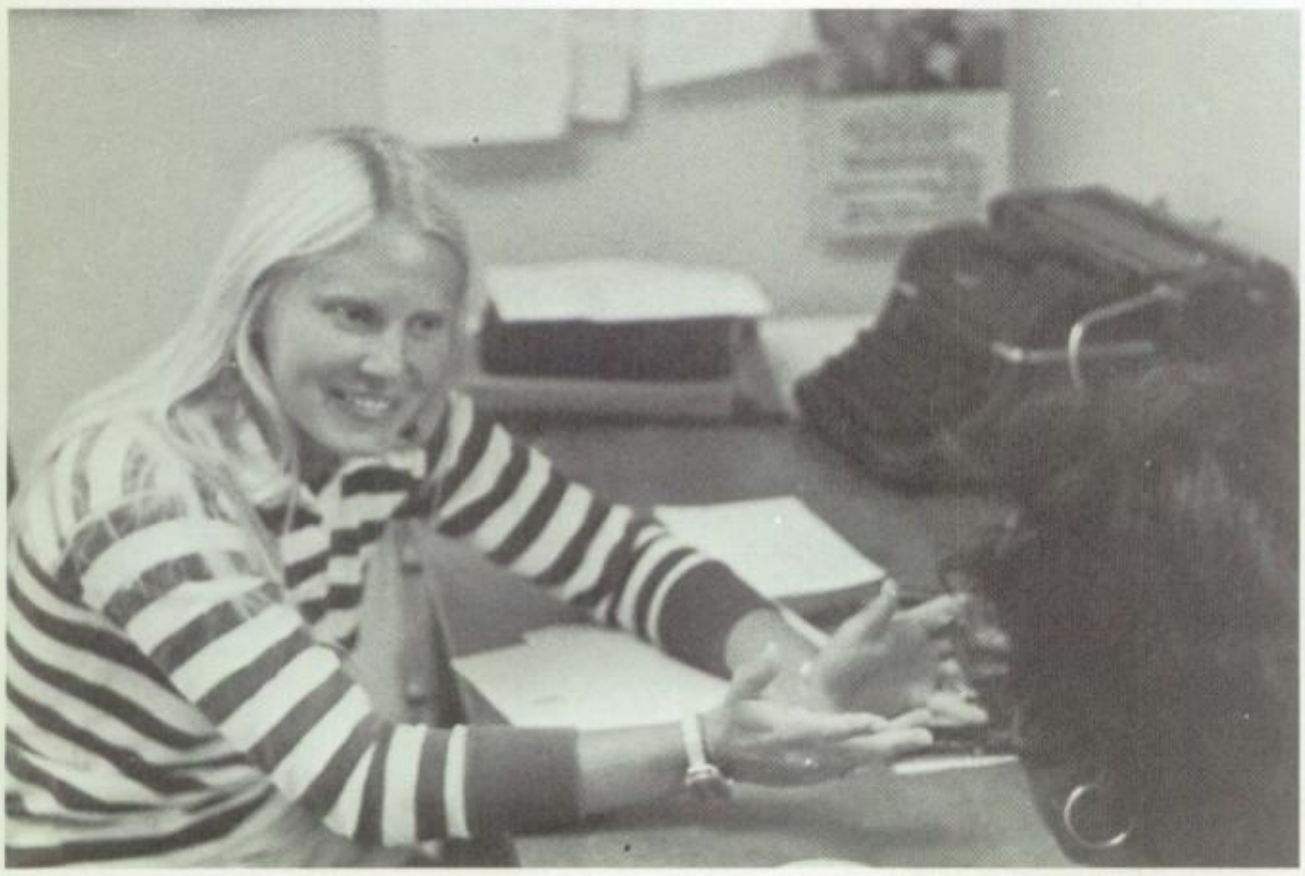


"Personal liberty is the paramount essential to human dignity and human happiness."



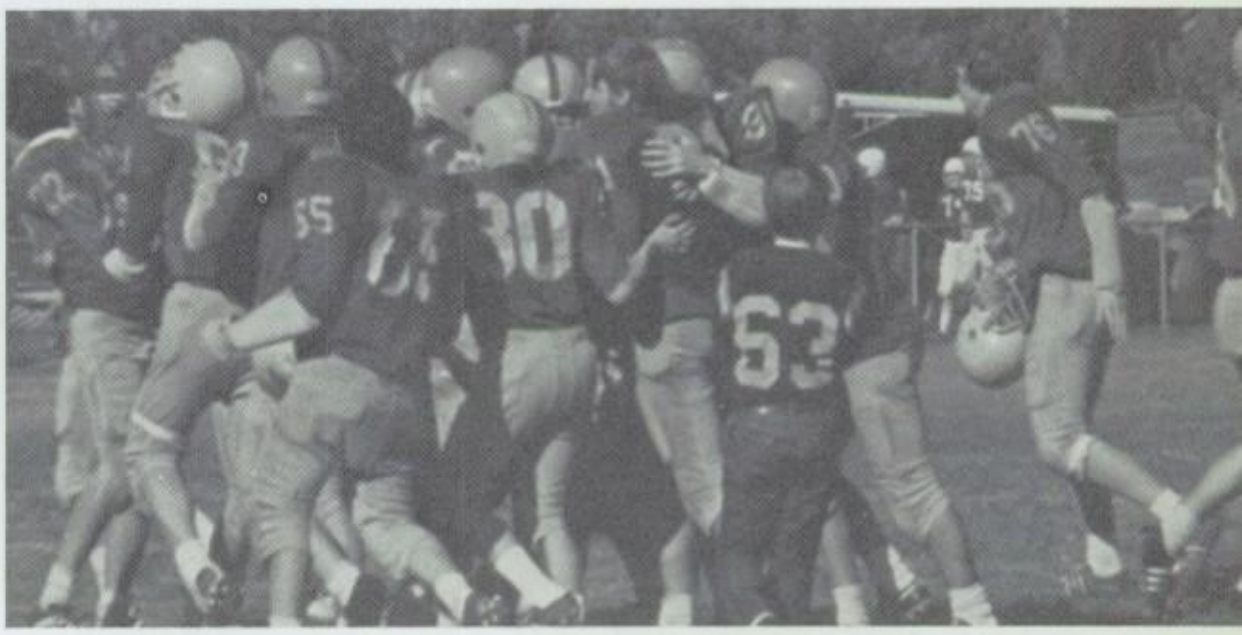




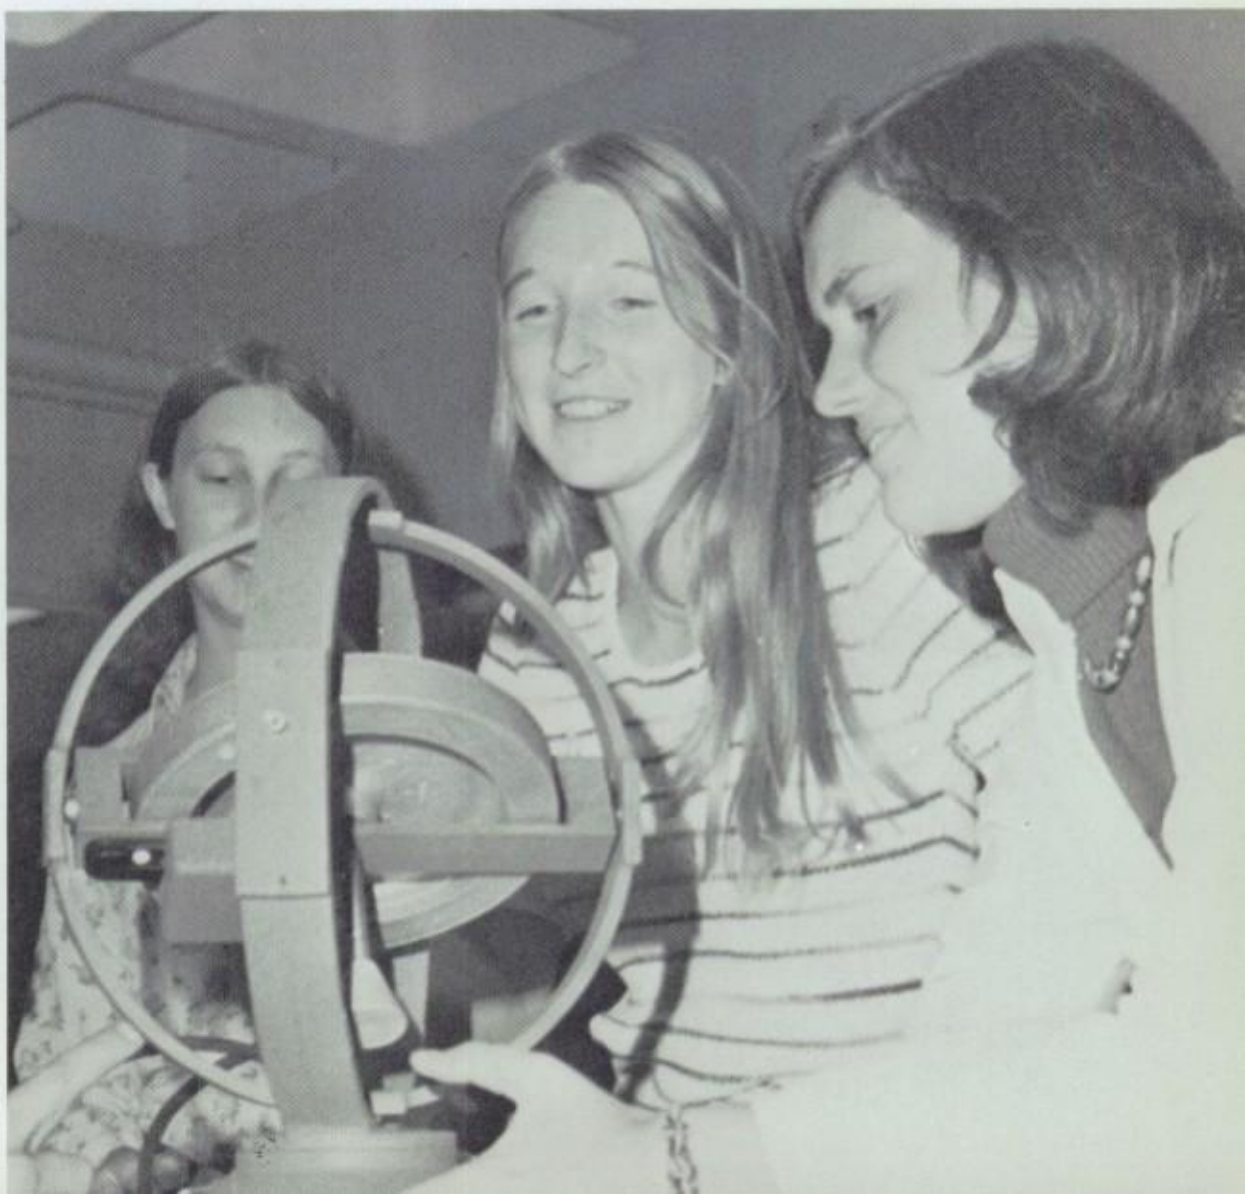


"Because I have confidence in
the power of truth and of the spirit,
I believe in the future of mankind."

"One reason why a dog is such a lovable creature is that his tail wags instead of his tongue."

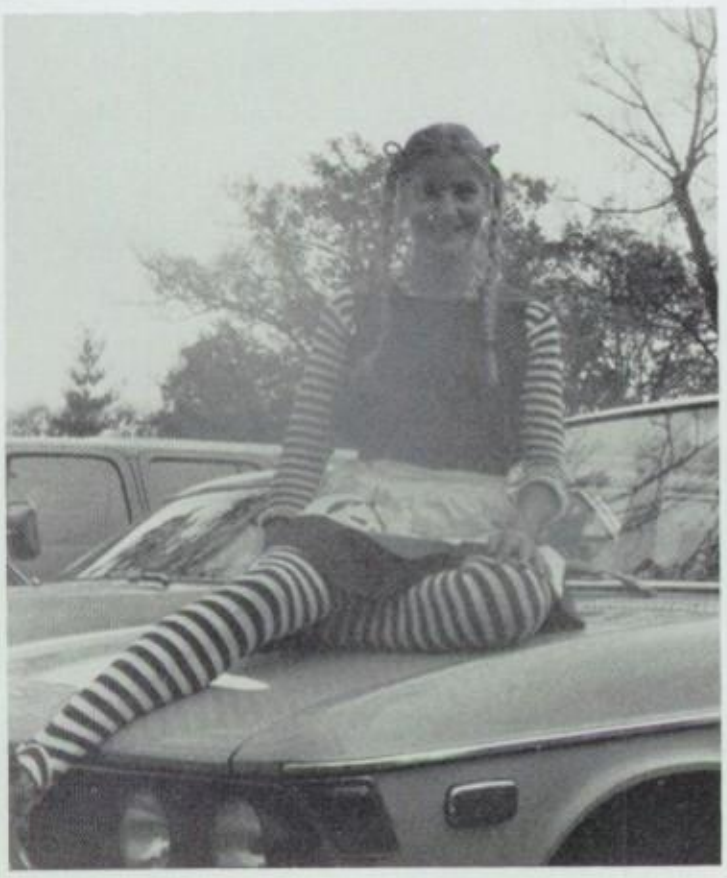


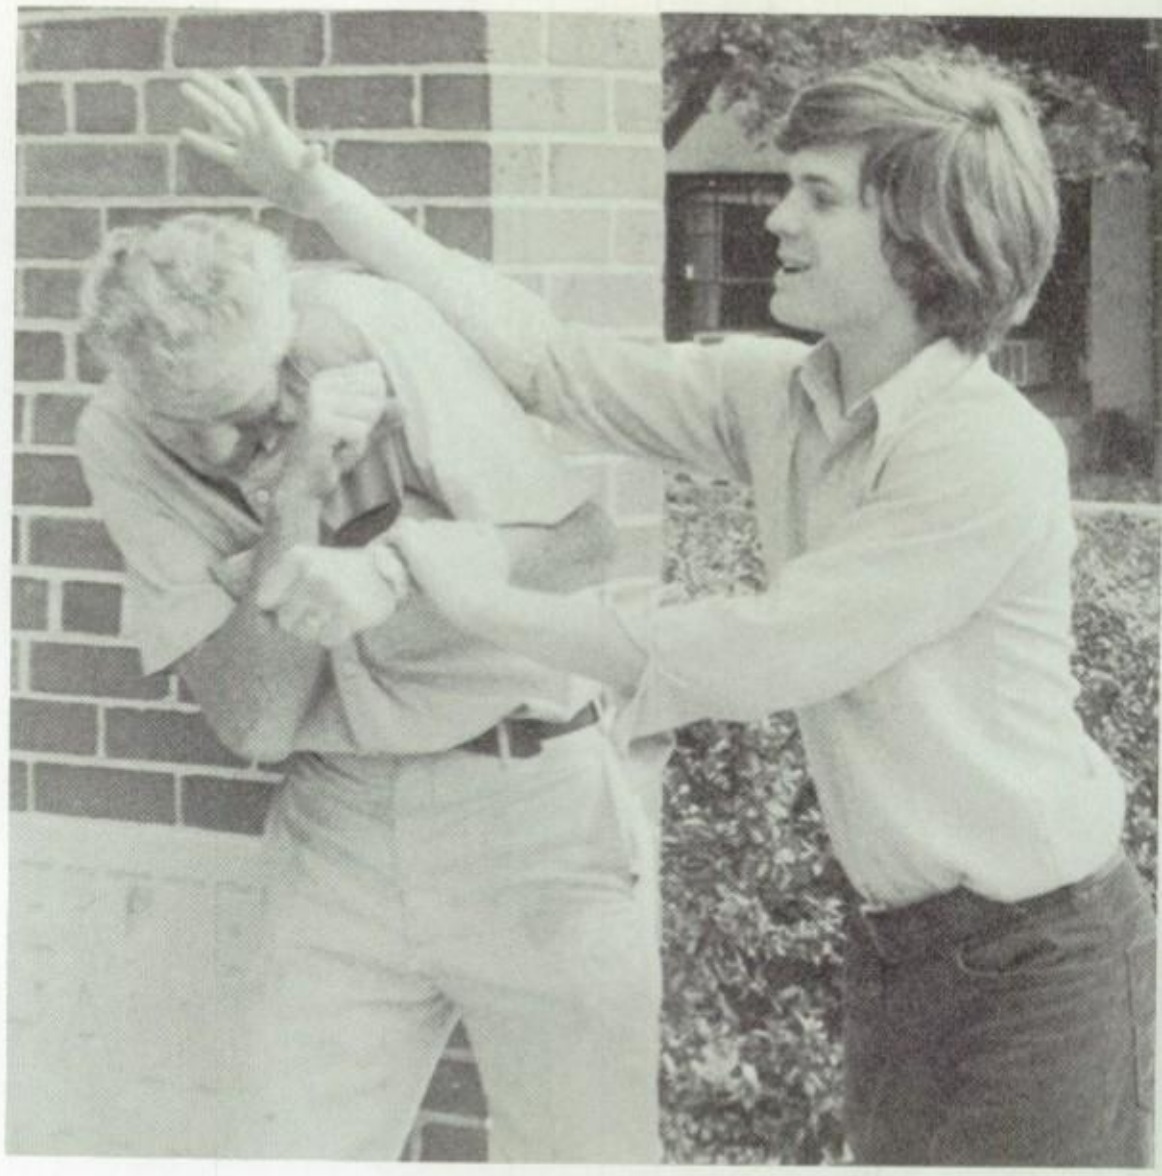
"Happiness is good. The place to be happy is here. The time to be happy is now. The way to be happy is to help make others happy."



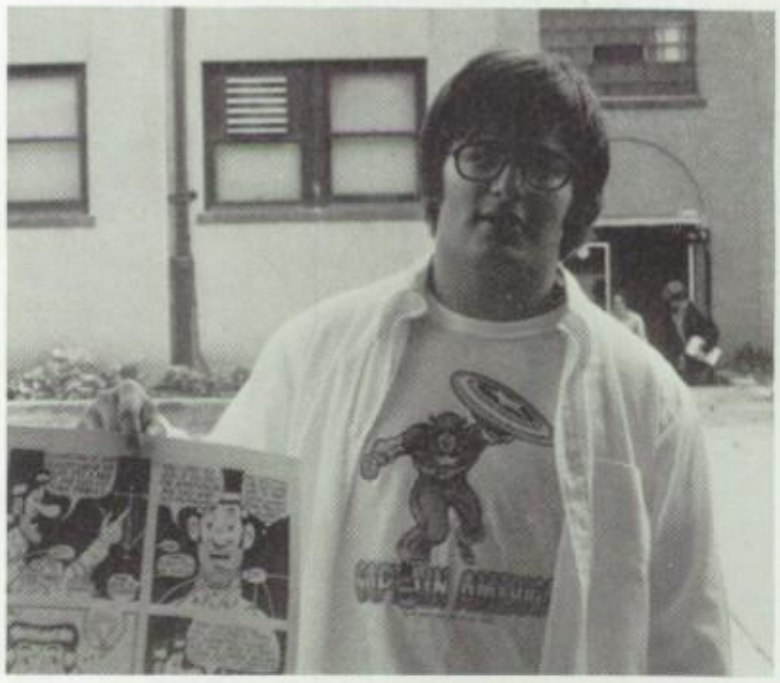
"Enthusiasm begets enthusiasm."

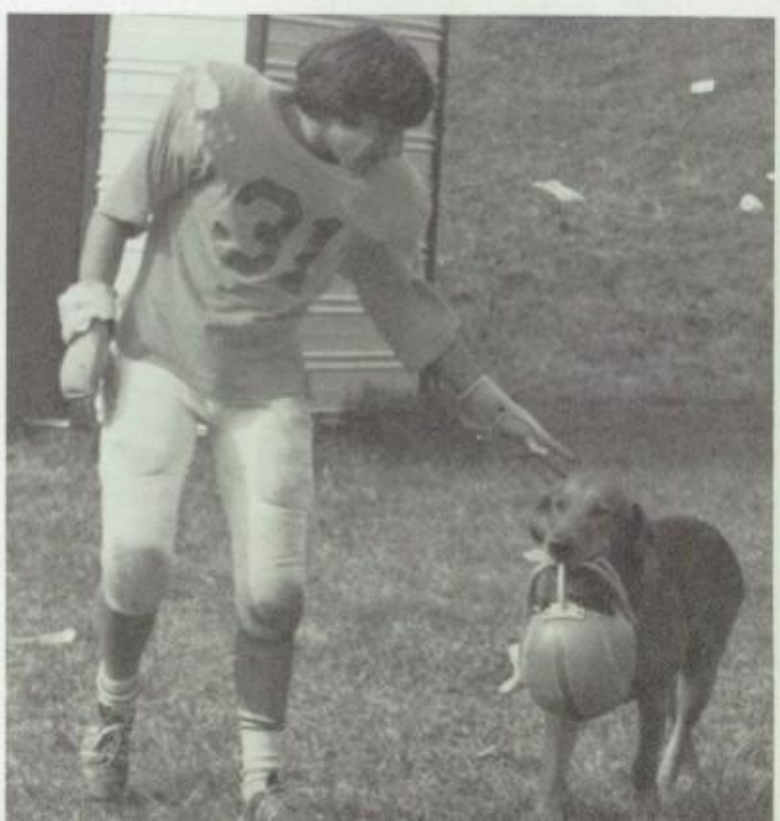
"Spirit is contagious."

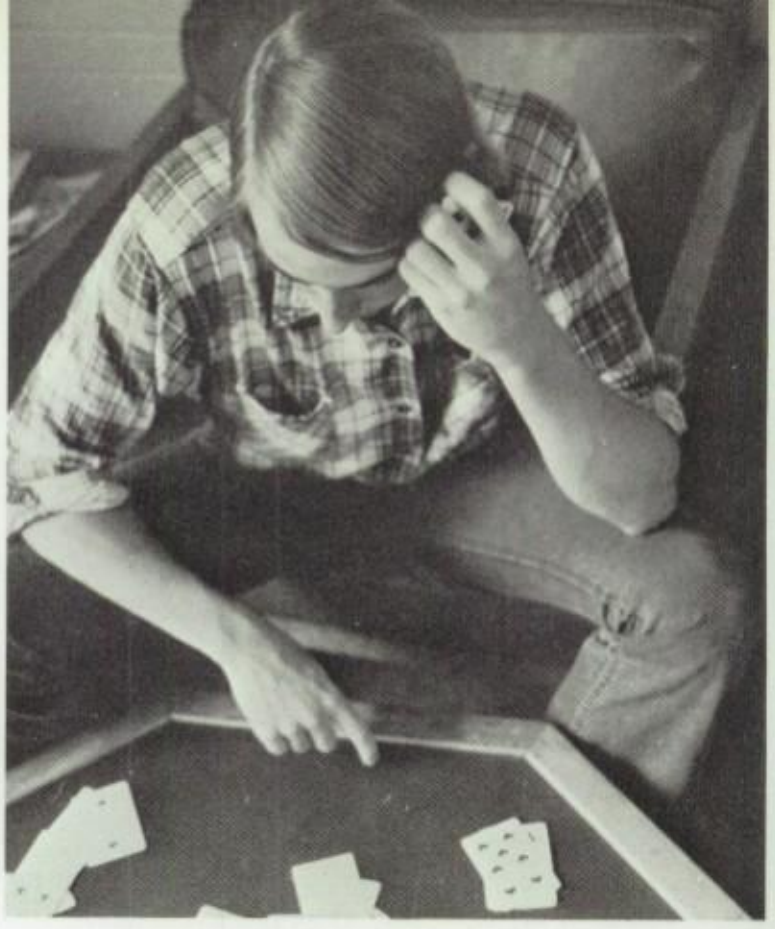




"Don't let school interfere with your education."
Mark Twain



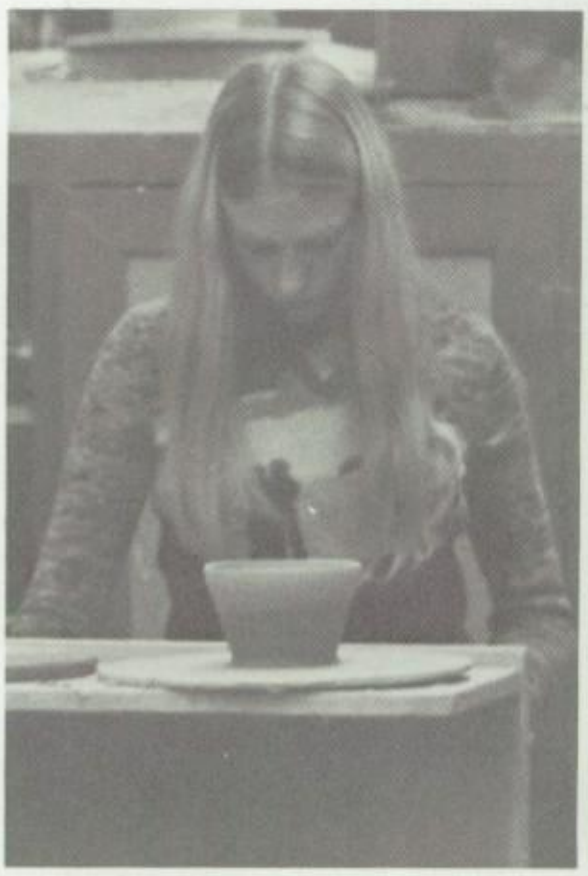


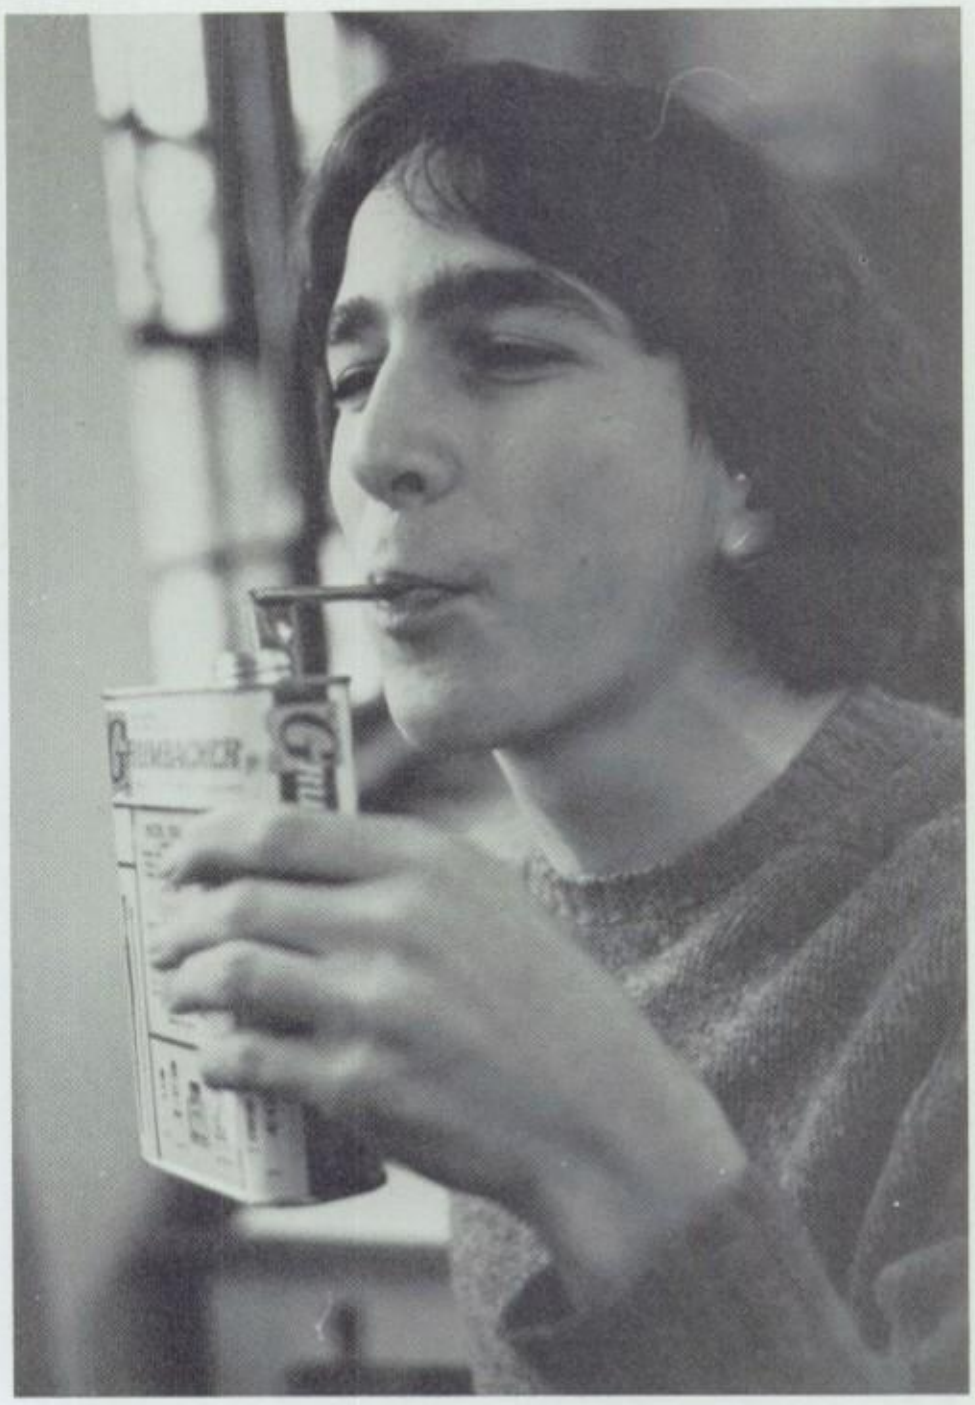


"Time it was and what a time it was, it was a time of innocence, a time of confidences. Long ago it must be, I have a photograph. . . "

"Preserve your memories.
They're all that's left you."

The Arts





"You cannot teach a man anything You can only help him discover it within himself."

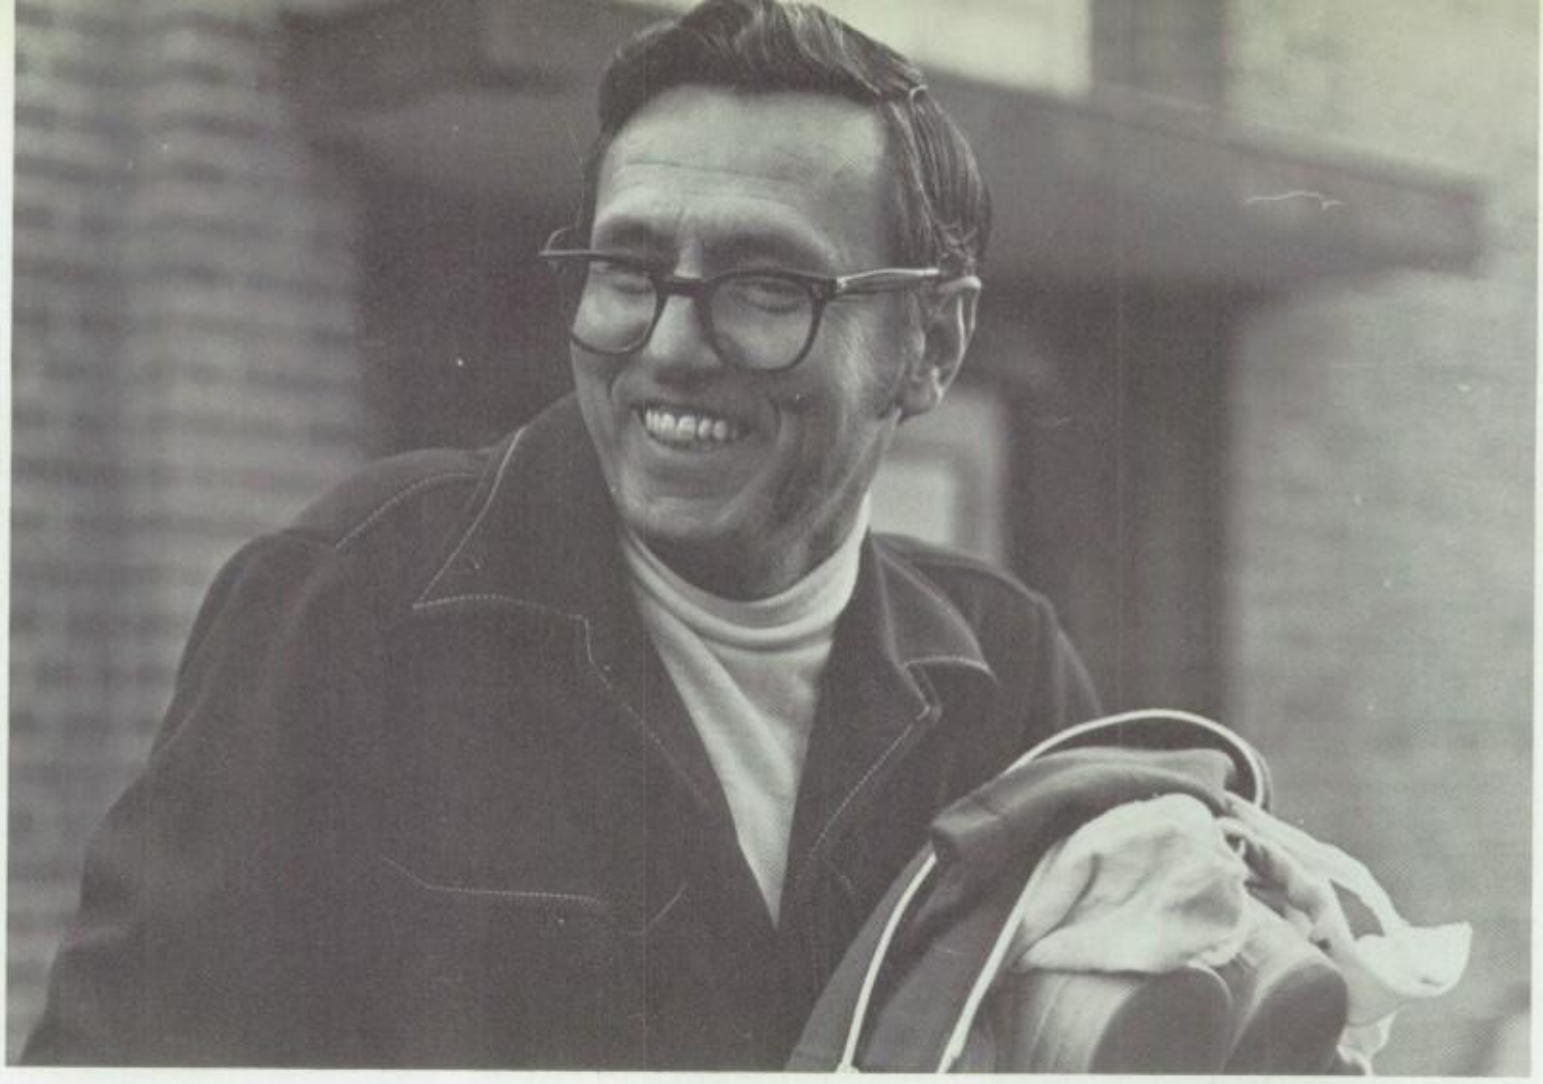
Our Preface

"It is not enough to be intellectually mature. We must be spiritually mature as well . . . During this twentieth century, we have gone towards conquering matter. Now we need something more. We need to stop and reflect that the happiness we are struggling for, lies within ourselves. It comes from the love and affection of family; in the relationship with our fellows in everyday life; in the pride of useful work; and in service to the community.

But the greatest happiness we hope each of you will seek in the years ahead is the deep, reassuring happiness that comes from full use of powers given to all of us . . . the power to achieve inner peace and the power to have faith in the inborn dignity of mankind, and in the worth of man as an individual."



In Dedication To Mr. Yager

Most of the J.B.S. community is familiar with that tall, dark, ... Texan who ambles about the campus. Some know him as the King of Rainbow Leisure Wear; others refer to him as the Count of Transylvania, or as the infamous promoter of weekend entertainment, but, to most, he is known simply as Tex or Dad.

He is heckled on the tennis court, in study halls, in the computer room, at the lunch table, and believe it or not, on the dance floor. He has been a member of the Burroughs community for nineteen years, and for the past four years he has been head of the math department. He has also installed our computer math program, a valuable asset to the J.B.S. curriculum. In past years he coached many tennis teams and led them to victory after victory.

Because he is a very significant and well loved part of J.B.S., we dedicate this yearbook to him. Thanks Tex!

In Memory Of Alex Penger

Alex served John Burroughs School faithfully from July, 1962 to December, 1975. His kind of service stands as a rich example all of us might envy and few could emulate. His determination to see that the school was properly cared for and in good running condition was recognized by students, faculty and friends. Alex's uniqueness was a combination of pride, hard work, and dedication.

As a young man serving his native land of Germany during the war, he was true to himself as an Army Master Sergeant where his loyalty sustained him through five years of bitter warfare when he was wounded five times and captured by the Russians.

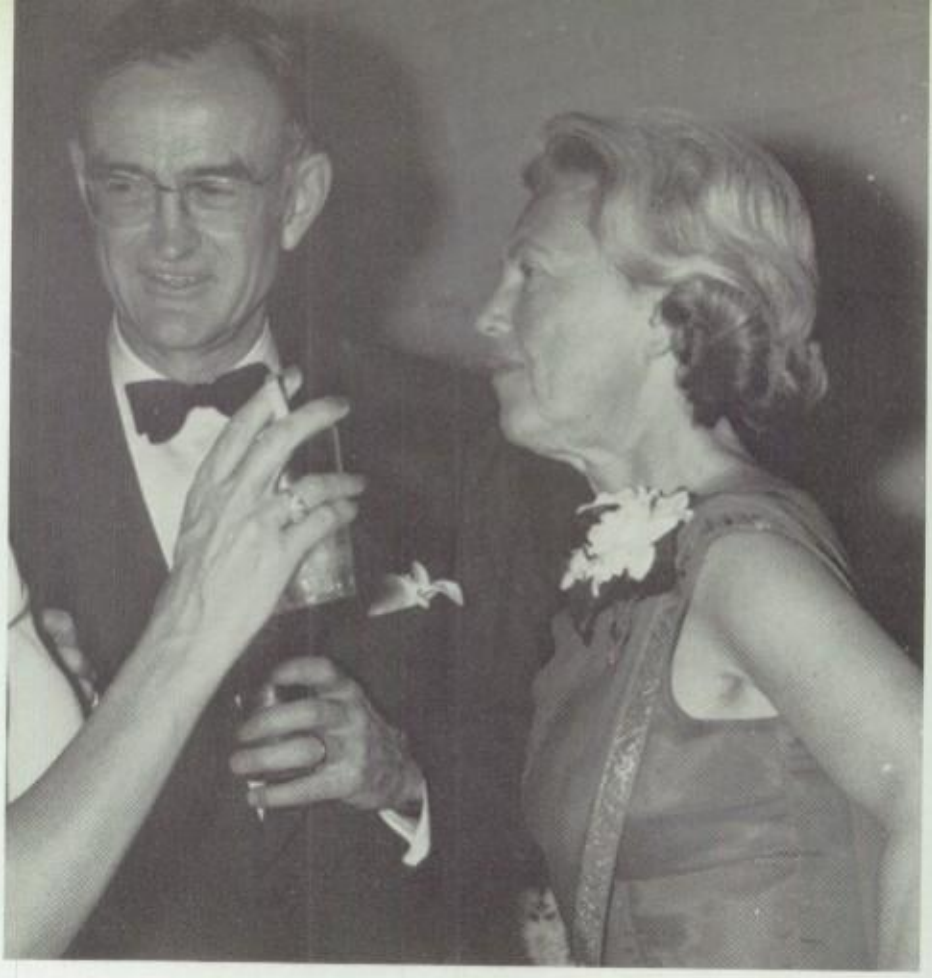
When he and Lucy came to America in 1952, he swiftly became an American citizen, and steadfastly devoted himself to provide a home and good life for his wife and daughter, Barbara. He was generous in his devotion to his family. He attended to their needs and concerns with the same intense love which he had for the school. While cherishing at all times his inheritance, he became a fan of America, St. Louis, and the Bombers of Burroughs.

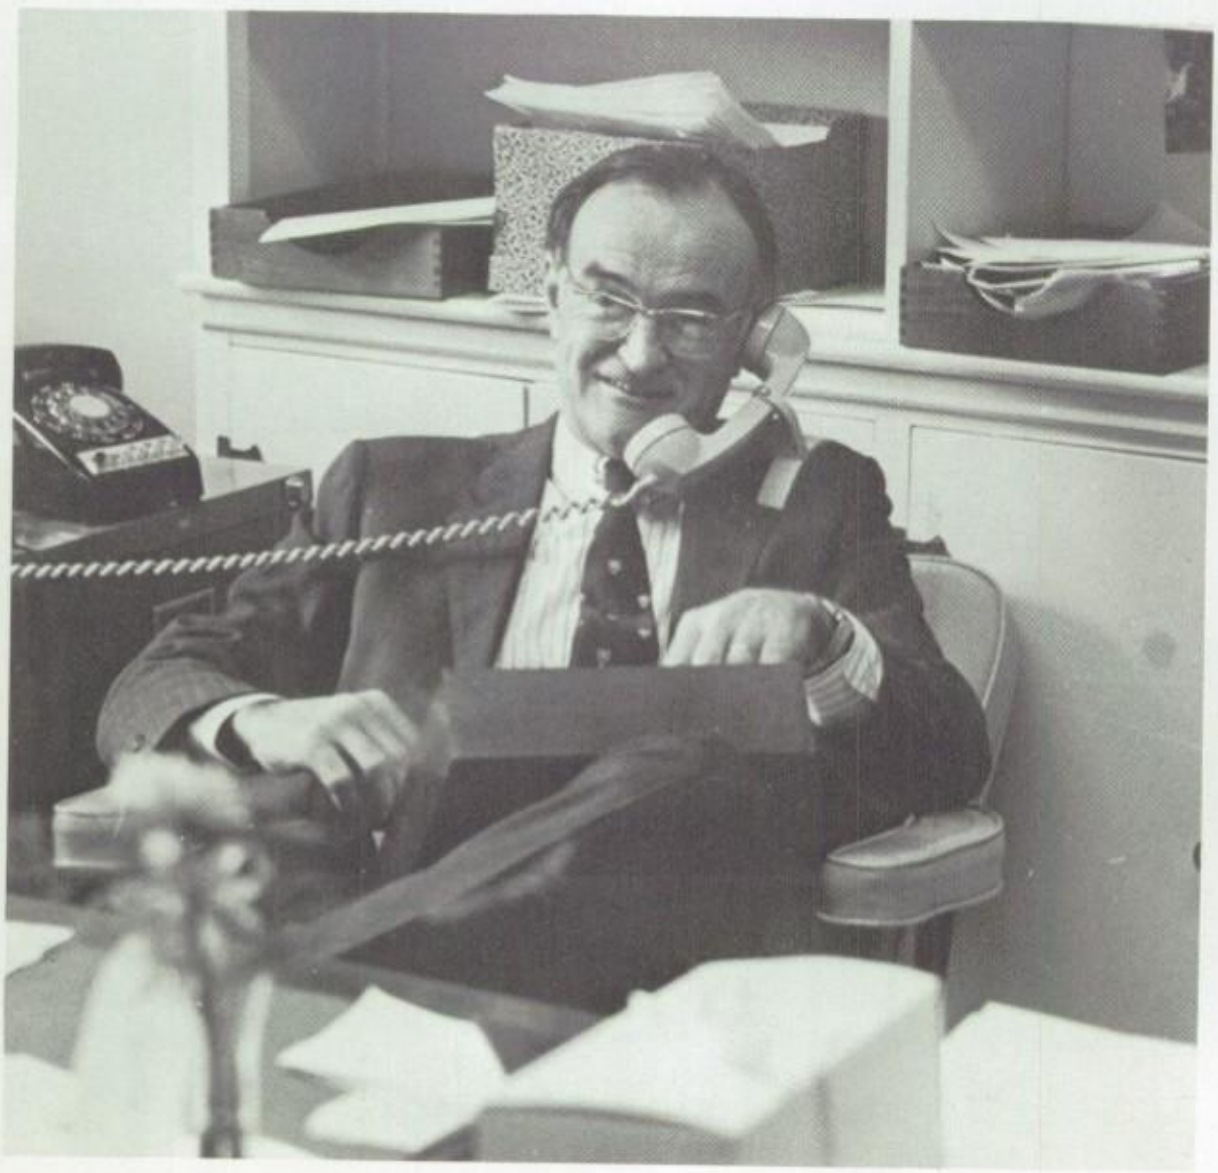
Alex loved a challenge to solve the unusual problems of which the school provided many. He took great pride in whatever he did. He wanted it done right and, at the least possible cost. No bargain escaped Alex. He saved the school thousands of dollars over his fourteen years--not just through the cost of material, but by the efficient method he devised to solve the problem.

I know he was a good provider for his family. The house he built on the school grounds is cozy and warm and attractive. It was HIS home on a thirty-acre estate about which he walked every night to see that all was well with Burroughs. Nothing escaped his attention.

Alex set an example in the school for honesty, loyalty, and dedication. Our lives have been richer for having him with us. We have lost a friend.

Mr. Cissel





Thanks,

It is futile to try to put all of life together, but God has given man faith so that he can use this one opportunity in all of creation to enjoy life to the fullest.

"It was just after sunrise
and down by the sea,
down on the sand flats
where nothing will grow,
come drumming and footsteps
like out of a dream,
where the golden green waters come in
just nine lucky soldiers had come
through the night
half of them wounded
and barely alive,
just nine out of twenty was headed for home
with eleven sad stories to tell...
I remember quite clearly when I got out of bed, I said,
oh, good morning, what a beautiful day."

"If I am content with little, then enough is as good as a feast."

Dean Swift

East wind's rain and north wind's clearing,
Cold old southwest wind's a fair wind home.

One bell, two bells, don't go grieving,
All our bad times past and blown alee.

Stars thy compass, cloud thy canvas,
Rock thy keelson, wind thy course to steer.

One bell, two bells, don't go grieving,
All our bad times past and blown alee.
--Gordon Bok

There was Brown, upside down,
Mopping up the whiskey on the floor.
"Booze! Booze!" the firemen cried
As they came knocking at the door.
"Don't let them in till it's all mopped up,"
Somebody shouted, "MacIntyre!"
And we all got blue-blind paralytic drunk
When the Old Dun Cow caught fire.
--English pub song

Lis Jönson

Dear seniors, administration, faculty and staff,

Later in my life, when I think back on the pleasant and delightful time I spent at Burroughs, there will be several special things I will always remember.

I will remember Burroughs as a closely knit community, almost like a family, with shared interests and mutual support.

I will always remember Burroughs' healthy combining of athletics and extra-curricular activities with its academic program.

I will always admire and envy Burroughs for its excellent curriculum, and for the ability of the teachers to make a course interesting and to motivate the students.

The best thing about Burroughs is the people. I will never forget everyone's willingness to help me and the friendly way I have been treated. You made me feel at home. THANKS.

took my hunting hat out of my pocket while I walked, d put it on. I knew I wouldn't meet anyone who knew me e, and it was pretty damp out. I kept walking and alking, and I kept thinking about old Phoebe going to at museum on Saturdays the way I used to. I thought w she'd see the same stuff I used to see and how SHE'D different everytime she saw it. It didn't exactly de- ess me to think about it, but it didn't make me feel gay hell, either. Certain thing they should stay the way ey are. You ought to be able to stick them in one of ose big glass cases and just leave them alone. I know at's impossible, but it's too bad anyway. Anyway, I pt thinking about all that while I walked."

there is an alternate way to maintain your sanity; ther
probably many different paths of sanity. Look closely
you might find that the main ingredient is curiosity, n
lose it.

J.R.R. Tolkien, in LORD OF THE RINGS, states
very well:

"The road goes ever on and on
Down from the door where it began.
Now far ahead the road has gone,
And I must follow if I can,
Pursuing it with eager feet,
Until it meets some larger way
Where many paths and errands meet.
And wither then? I cannot say"

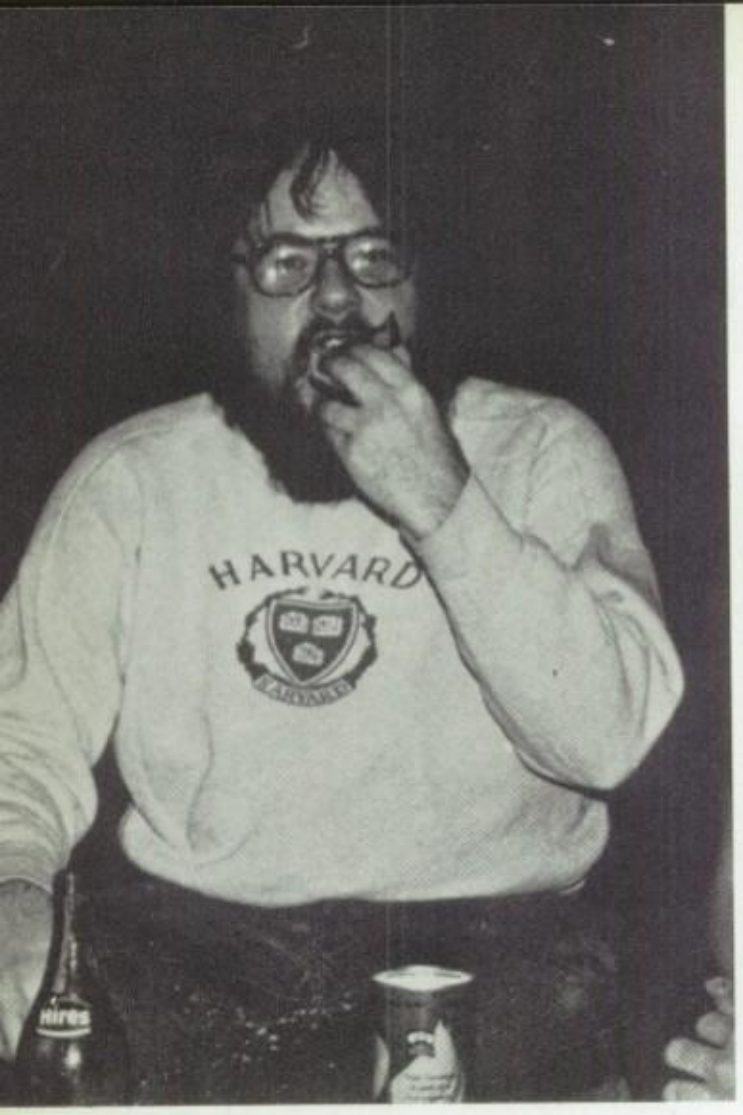
Highlands...french fries...ice cream...making a scene...two weeks goes a long way!

Smokey Mountains

Big Creek Campsite to Mt. Sterling...EXTREME weather conditions-a six mile climb...Nashville friends invited us to their "keep warm" party...Mt. Sterling to Walnut Bottom..."Mr. Hanson, my boots are wet!...Well so are mine!"...Tailbone troubles for Nancy and Rock as they got down to nature...fording the river in underwear...Balsam Ridge-first of the famous fire extinguishing episodes-they didn't fool anyone!...aren't you supposed to use your feet to backpack?..."Please Mr. Hanson, let's stay at TriCorner, out of the rain!"...Worried about bears at Walnut Bottom, but it didn't stop the swimming escapade... Homeward Bound...dinner in Paoli, Ind....drag race around town square.

Thank you, Mr. Hanson, Mr. Bailey, Ed Kelsey.



My Fair Lady

"My Fair Lady", the largest, most costly productions John Burroughs has ever attempted, was a grand success. Due to the hardwork of the director Mr. Schandorff, musical director Dr. Perkins, and head of costumes, Mrs. Graham, the show drew capacity crowds. We are indebted to the producer Mark Schoenberg, the manager of set, lighting and sound, David Bristow, head of properties, Andy Huey, head of make-up, Judy Fagen, and the assistant directors, Louise Belt, Robert Johnson, and Abby Winkelmeyer. Over one third of the school participated in this event, making it one of the most notable occurrences in recent JBS history.

Bicentennial Seminar

To keep in pace with the rest of the country, John Burroughs celebrated our nation's Bicentennial. The highlight of the year's activities came in November. Dr. Marshall Fishwick, a noted historian and author, gave an excellent keynote address about life in 1776. For the rest of the day, teachers and students lead seminars and lectures on topics related to life in colonial times. David Eiseman and Steve Duncker did an excellent job of organizing the Bicentennial day.

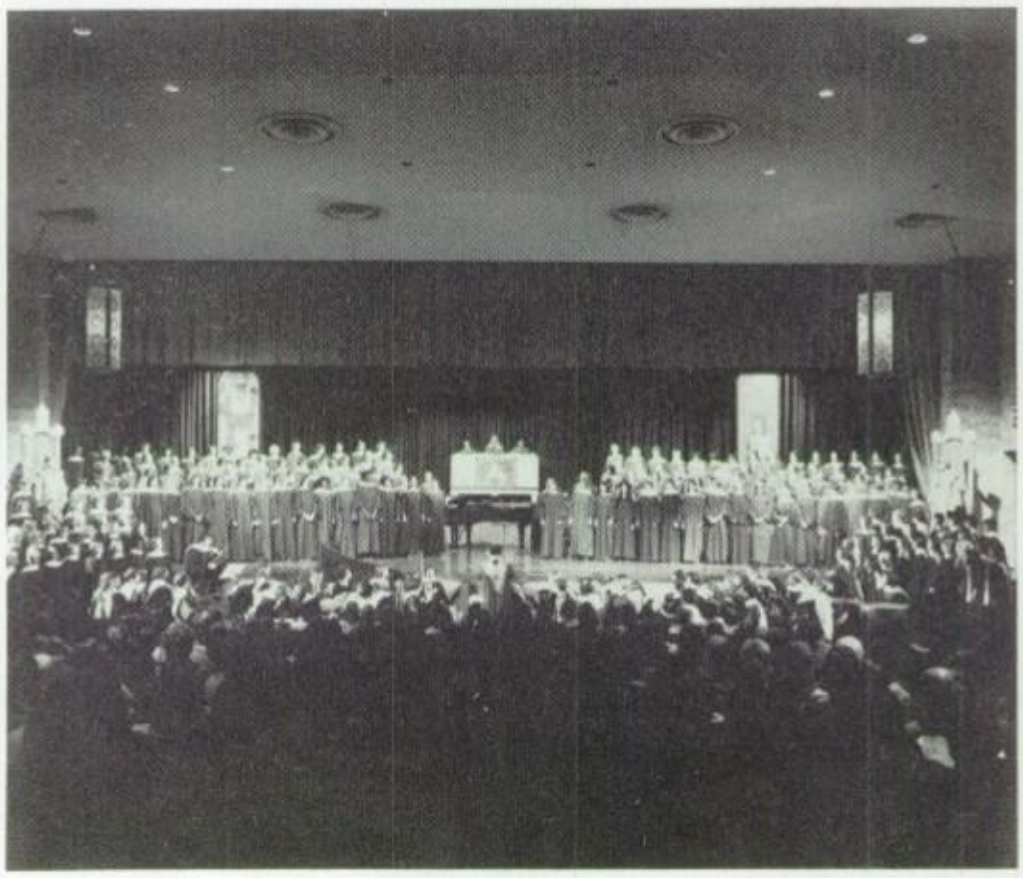
Christmas Pageant



The fifty-first annual Christmas celebration involved more people from the JBS community that it had ever before. Dr. Perkins directed the Glee Club, the ninth grade choral group, the seventh and eighth grade junior chorus, and the orchestra in songs to begin the holiday season. The pageant opened traditionally with "Angels We Have Heard on High" and was followed by a Scottish carol, "What Strangers Are These". Sarah Smith and Steve Boyd sang solos in the Spanish carol "Dadme Albricias" as an emphasis was put on Christmas music from European countries. The junior chorus sang "Rui, Rui, Chia", a difficult piece with solos by Phil Haglin, Andrew Gladney, Megann Talbot, Joan Hustace, Renee de Penaloza, Sarah Graham, Mary Toole, and Debbie Schultz.

Other highlights of the program were violin solos by Eric Delente and Charlotte Gordan and Susan Smith's piccolo solo. Nancy Lebens and Mike Dee read the Biblical passages between the songs. The traditional carols sung by the entire assembly were aided by the book boys and girls. This year they were Thomas Fausek, Laura Roberts, Scott Marvel, Steven Skinner, Ellen Wilson, Judy Avioli, Rankine Forrester, Cathy Lemen, and Mark Shearer.

Judy Fagen sang "Mary's Lullaby" beautifully to accompany the tableau designed by Kitty McMahon. Seniors Lexie Haglin and Dave Sisler were Mary and Joseph while the onlooking sheperds were Christy Jones and Josh Felker. The tableau, based on the traditional manger scene, created a floating effect through the use of luminous colors and a two-level figure placement.

Special thanks are due to Dr. Perkins, Mr. Mayhew, Miss Collins, Mr. Blossom, Mr. Arnold, Mr. Acker, Mr. Alverson, Mr. Hirth, Mrs. Graham, and all the others who contributed to the production of the pageant.

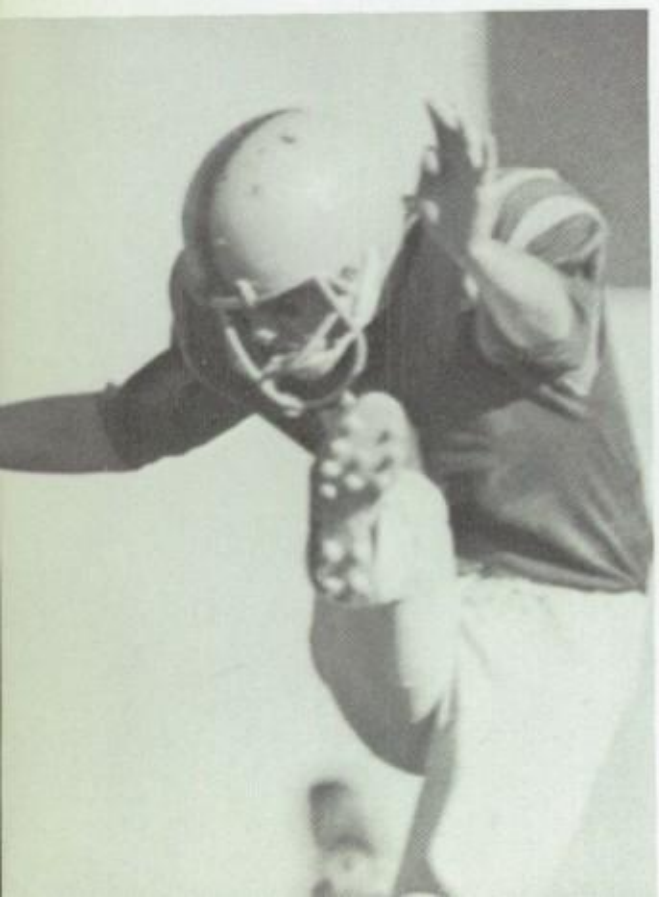
UNDEFEATED LEAGUE CHAMPIONS . . .

JBS 9-Eureka 0

The Bombers traveled to Eureka for an exciting opener. The offense looked shaky, and as a result turned the ball over to Eureka a number of times in the first half. In the fourth quarter, the Bomber offense finally got moving and marched down the field aided by some spectacular catches by Dave Eiseman. The drive ended on the eight yard line, and with four minutes remaining Lee Bearman kicked a 25 yard field goal to put the Bombers on top. Eureka then threatened but the tough defense held. To put the icing on the cake, Earl Gerfen broke off tackle and romped 65 yards to the endzone. Gerfen 6, Bearman 3.

JBS 29-Clayton 10

The Bomber offense again looked shaky in the first half. They fell behind 10-0 and then scored. On the extra point attempt, Bearman recovered a poorly snapped ball, handed it to Levis who then tip-toed to the end zone. The fired up Bombers came out in the second half and blew Clayton off the field scoring three unanswered touchdowns. Gerfen 6, Schmid 6, Parke 6, Krause 6, Bearman 3, Levis 2.



JBS 29-Clayton 10

The offense finally looked sharp and stuck it to North's defense early in the game. By halftime the Bombers were winning 14-0. In the second half the offense put 6 more points on the board while the defense was tough throughout the entire contest, Gerfen 12, Holmes 6, Bearman 2.

JBS 41-Priory 0

Burroughs--THIRD IN THE AREA AND FOURTH IN STATE! The Bombers traveled to Priory and never looked better. They committed only one minor infraction and did not punt once in the game. Earl Gerfen had 2 touchdowns and Lee Bearman had 2 field goals and 5 extra points. Gerfen 12, Bearman 11, Holmes 6, Krause 6, Tichenor 6.

JBS 31-Jennings 7

The Bombers prepared all week to face the toughest opponent that they had played so far this year. At this point in time, the Bombers were on top and consequently were riding high, but they knew that they had a lot to lose. They came out Saturday and did the job. Earl Gerfen had 4 touchdowns, one of them an 87 yard ramble. Lee Bearman had a field goal and 4 extra points. THE BOMBERS ARE 5-0! Gerfen 24, Bearman 7.

JBS 20-Pembroke 0

After a long bus ride and hours of waiting, the Bombers were flat. The defense was tough as usual, but the offense's performance resembled that of their first half at Eureka and Clayton. After an inspiring pep talk by Mr. Lemen to QB Ted Levis and the rest of the team, they came out and did the job. THE BOMBERS ARE 6-0! Gerfen, 12, Krause 6, Levis 2.

JBS 34-Lutheran South 15

With the #1 team defense in the city the Bombers had to face the best passing offense in the league. They did a great job. Scoring all 34 points in the first three quarters, the Bombers sat back and watched the clock tick away. THE BOMBERS ARE 7-0! Gerfen 12, Holmes 6, Boles 6, Duncker 6, Bearman 4.

JBS 16-Principia 0

Principia was by far the hardest hitting team that the Bombers had met all season. The offense was stunned by such aggressiveness early in the game. But finally in the second quarter, Paul Reitz broke away and rambled 60 yards to the end zone for the points that turned out to be the winning ones. The defense sparkled as usual allowing Prin only two first downs in the entire game. THE BOMBERS ARE 8-0 AND THIRD IN STATE! Reitz 6, Gerfen 6, Bearman 4.

JBS 8-Codasco 7

The fateful day of November 8 finally arrived and before a record breaking crowd of over 5,000 people, the Bombers trotted onto the field to take part in the greatest and most important game of their lives. The Bombers were down until only 33 seconds remained in the game. This was the result of a fumble and two fluke plays. Actually, the Bombers dominated the Rams in almost every statistic. After a missed CDS field goal, the the offense took over on the 20 yard line and marched 80 yards in less than 5 minutes to win the game. There were, of course, those who stood out in the drive but they could not have done it without the other players on the field, and the coaches on the sideline. It was a textbook example of a great team effort, and a true desire to win a game that meant so much to everyone. THE BOMBERS ARF 9-0, UNDEFEATED LEAGUE CHAMPIONS, AND RANKED FIRST IN THE STATE!!! Holmes 6, Gerfen 2.

To sum it all up, the 1975 John Burroughs Bombers were nothing less than phenomenal. Thanks to the cheerleaders and all those who supported the team throughout the season. Congratulations to All-Leaguers: Jim Beisman, Earl Gerfen, Shep Parke, Steve Maritz, Ted Levis, Don Wilson, Lee Bearman, Ted Holmes, John Baine, Steve Duncker, David Boles, Matt Carp, and also congratulations to Honorable Mention All-Leaguers: Dave Sisler, Chris Tichenor, Paul Ullman, Kurt Holekamp, Todd Schnuck, Geno Gabianelli, and Paul Reitz. Special congratulations to All-District team members: Steve Maritz, Shep Parke, Earl Gerfen, Lee Bearman, Don Wilson, David Boles, and also Special Congratulations to All-State team members: Lee Bearman, Earl Gerfen, Steve Maritz, and David Boles.

After a climactic victory over Codasco, Burroughs was involved in the Missouri State High School playoffs. The Bombers had no idea what to expect from East Prairie. With the addition of some "B" team players, practice became easier, and thanks are extended to them. On East Prairie's opening play, their halfback swept around end for a 75 yard touchdown run. But, after a safety that gave the Bombers the momentum they needed, they ran over East Prairie with ease. Although the Bombers made many mistakes, East Prairie was obviously outclassed. Krause 24, Gerfen 12, Bearman 3, Wilson 2.

JBS 28-Seneca 26

The pressure had been building up for three weeks, and the Bombers were finally feeling it. They still possessed the sheer determination and desire which they had shown in the C.D.S and S. Shelby games. The team practiced in the snow over Thamksgiving. The coaches spent hours clearing the field and preparing for the championship game. Saturday finally came and the Bombers found that Seneca was a powerful offensive team with a hard-hitting defense. They caught Burroughs and scored on a 45 yard touchdown pass. The Bombers came right back and scored on a touchdown pass from Levis to Gerfen. Seneca then scored again to make it 14-6. Just before the half ended, Bearman kicked a 34 yard field goal to make it 14-9 at halftime. In the second half, the Bombers scored first on Gerfen's second touchdown to make it 15-14. Then Seneca scored again to make it 20-15. Then Ted Levis ran for an 8 yard touchdown and made it 21-20. Seneca retaliated and made it 26-21. With 45 seconds remaining, Levis hit David Eiseman for the final score of the game; however, the excitement was not over, for Seneca marched on the field to attempt a game-winning field goal. The attempt failed, and the Bombers won 28-26. Gerfen 12, Levis 6, Eiseman 6, Bearman 4.

. . . And State AA Champions

JBS 17-S. Shelby 15

In freezing cold weather the team practiced all week to meet S. Shelby in the semi-final game. They travelled to Hannibal, Mo. and spent the night in a Holiday Inn. As one St. Louis Post-Dispatch reporter noted, the team was totally relaxed. This loose atmosphere was the topic of conversation all night. From the opening kickoff, it was evident that the Bombers were up against a very tough team. Burroughs scored first on a 75 yard run by Gerfen. S. Shelby then bouced back and scored by recovering a blocked punt in the endzone. Immediately following their touchdown, S. Shelby recovered a fumble which resulted in a field goal. In the closing minutes of the first half, Levis hit Gerfen for a 45 yard completion. The drive culminated with a 22 yard Bearman field goal and led 10-9 at halftime. The second half was incredibly close with each team scoring a touchdown. But, because of the Bombers' amazing ability to stay loose, they pulled out a great victory. Gerfen 6, Ullman 6, Bearman 5.

There was a magic about the 1975 John Burroughs Bombers that everyone could sense. There was never really anyone who doubted the Bombers' ability to go all the way, even when things were looking the darkest. They just could not lose. Congratulations on a spectacular season. THE BOMBERS ARE 12-0, UNDEFEATED LEAGUE AND STATE CHAMPIONS !!!

"A" Hockey

This year's varsity hockey team complied a 6-3-3 record. The team had great potential and showed it in its games against Sunset, Viz and Mary I. This year was an exceptional year in that all the girls worked well together under the guidance of Coach Skippy Keefer. The team was well balanced offensively as well as defensively. There was a little bit of trouble in the scoring department, yet by the end of the season sixteen goals had been compiled. The team was lead offensively by co-captain Kitty McMahon and defensively by co-captain Wendy Burrows. With most of the squad returning, next year's season looks promising.

"B" Football

The 1975 "B" Team was no less than devastating. A well-balanced attack of offense and defense led the Bulldogs to a 7-0-0 season. The defense held its opponents to thirty points (posting four shut-outs) while the offense totalled 173 points for the year. The team was composed of representatives from all 4 upper school classes, with members of each in the starting line-up. Though the "Steak House Gang" changed steak houses, the team kept last year's record in tact with the 24-0 victory over CDS, marking 14 consecutive wins for the Bulldogs. This year's senior leaders were Alec Lee and John Schweig. With the help and guidance (not to mention the outstanding coaching) of Mr. Stevens and Mr. Moore, the "B" team had a rewarding season. The team would like to congratulate Mr. Moore on a fine job in his first year as "B" team line coach and Mr. Stevens on another great season highlighted by his fiftieth career victory. The fun and spirit that exemplifies Burroughs football was never lost as the 1975 ABC League Champion Bulldogs put forth great effort as a unit of friends and players throughout the season. Good Luck to Mr. Stevens, Mr. Moore, and to future Bulldogs.

B Hockey

The B-team compiled the impressive record of 8-3-2 through the efforts of 14 jocks and one cute blond. This was quite an accomplishment, considering the tough schedule played. Due to lack of experience as a team, the first game resulted in a loss to Ladue. Although the game against St. Joe ended as a loss, it was one of the hardest fought and most well played games. The ties with Villa and Prin were competitive games, with evenly matched teams. Within the 8 wins, the B-team amassed 21 goals while their opponents scored only 1.

The practices were spent learning new and better fake plays and methods of tripping and tackling. A futile attempt was also made to get the team in condition.

The games were high spirited and played with utmost skill. The co-captains, Schoenberg and Goodloe, spent much of their time trying to decide which end of the field to defend. The team had fun, made great achievements, and--most importantly--worked together.

The JBS "C" team Eagles had a booming start this season with a 14-0 victory over Lutheran North. Their record showed that they had a difficult season. When they lost they lost hard, but when they won they won by great amounts. Putting their games aside, the Eagles had a terrific year. They played hard, worked hard, but most of all had fun.

This year's "C" team was backed by six veteran sophomores who were reinforced by the new freshman. Because of the two coaches, Stan Gardner and Paul Koprivica, the team had a lot of offensive and defensive skills. Mr. Gardner was the coach for the offensive backs, and he applied his own football knowledge and experiences to lead quarterback Joe O'Keefe, halfbacks--Mike McGinly, Chip Grace-- and fullbacks --Dicky Sherman, John Goessling--to a great season. But without the offensive line the backs would have been nothing. The job of the linemen fell into the hands of Mr. Koprivica. He led the offensive line (Flip Maritz, Mark Loeb, John Woods, Paul Daniels and Tom Kohn) and the defensive line (John Taylor, Mike Rosenfeld, Willie Sherburn, and Gary Bell.) Both men were outstanding coaches.

J.V. Hockey

The 1975 J.V. hockey team had a mighty fine season this fall. Constituted by the superb coaching of Sue Lowell, the team not only advanced their skills, but had a good time doing so. The record of 4-1-2 is only one portrayal of the outstanding ability of this team. The season was fun, the memories (especially the van rides) everlasting.

A special thanks to Margaret Lebens and Kathleen Dyer for their excellent managing job, and once again - Thanks Sue.

Cross Country

The 1975 Burroughs Cross-Country team started their season with the most favorable of winds only to finish in the worst of doldroms. The first day of practice dawned bright and clear only to be clouded over by a small turn out and the injury of Lester Crancer, one of our top five runners, nevertheless, the team traveled to the St. Charles Inv. with hope and optimism where they finished 11th out of 14; Evan Wykes took 3rd. The team had its ups and downs from the first meet until the last. They had victories over CDS, North & South Co. Tech., Priory, and Luth. No. The harriers 5th place finish at the ABC league meet and a miserable showing at District revealed how the team could not coordinate its best efforts. For Senior Jim Forsyth the season ended with a fractured shin bone and with it the hopes of winning a medal in the League meet. And for Evan Wykes, despite numberous victories and improvements in time, the season ended without going to State. A wrong turn by Tom Sharp thwarted his chance to do well, and J. D. broke the 16 min. barrier for 2 1/2 mi. In all, Cross-Country is a learning experience; and learn we did, through failure and success. The team would like to thank Mr. Schandorff for all his help.

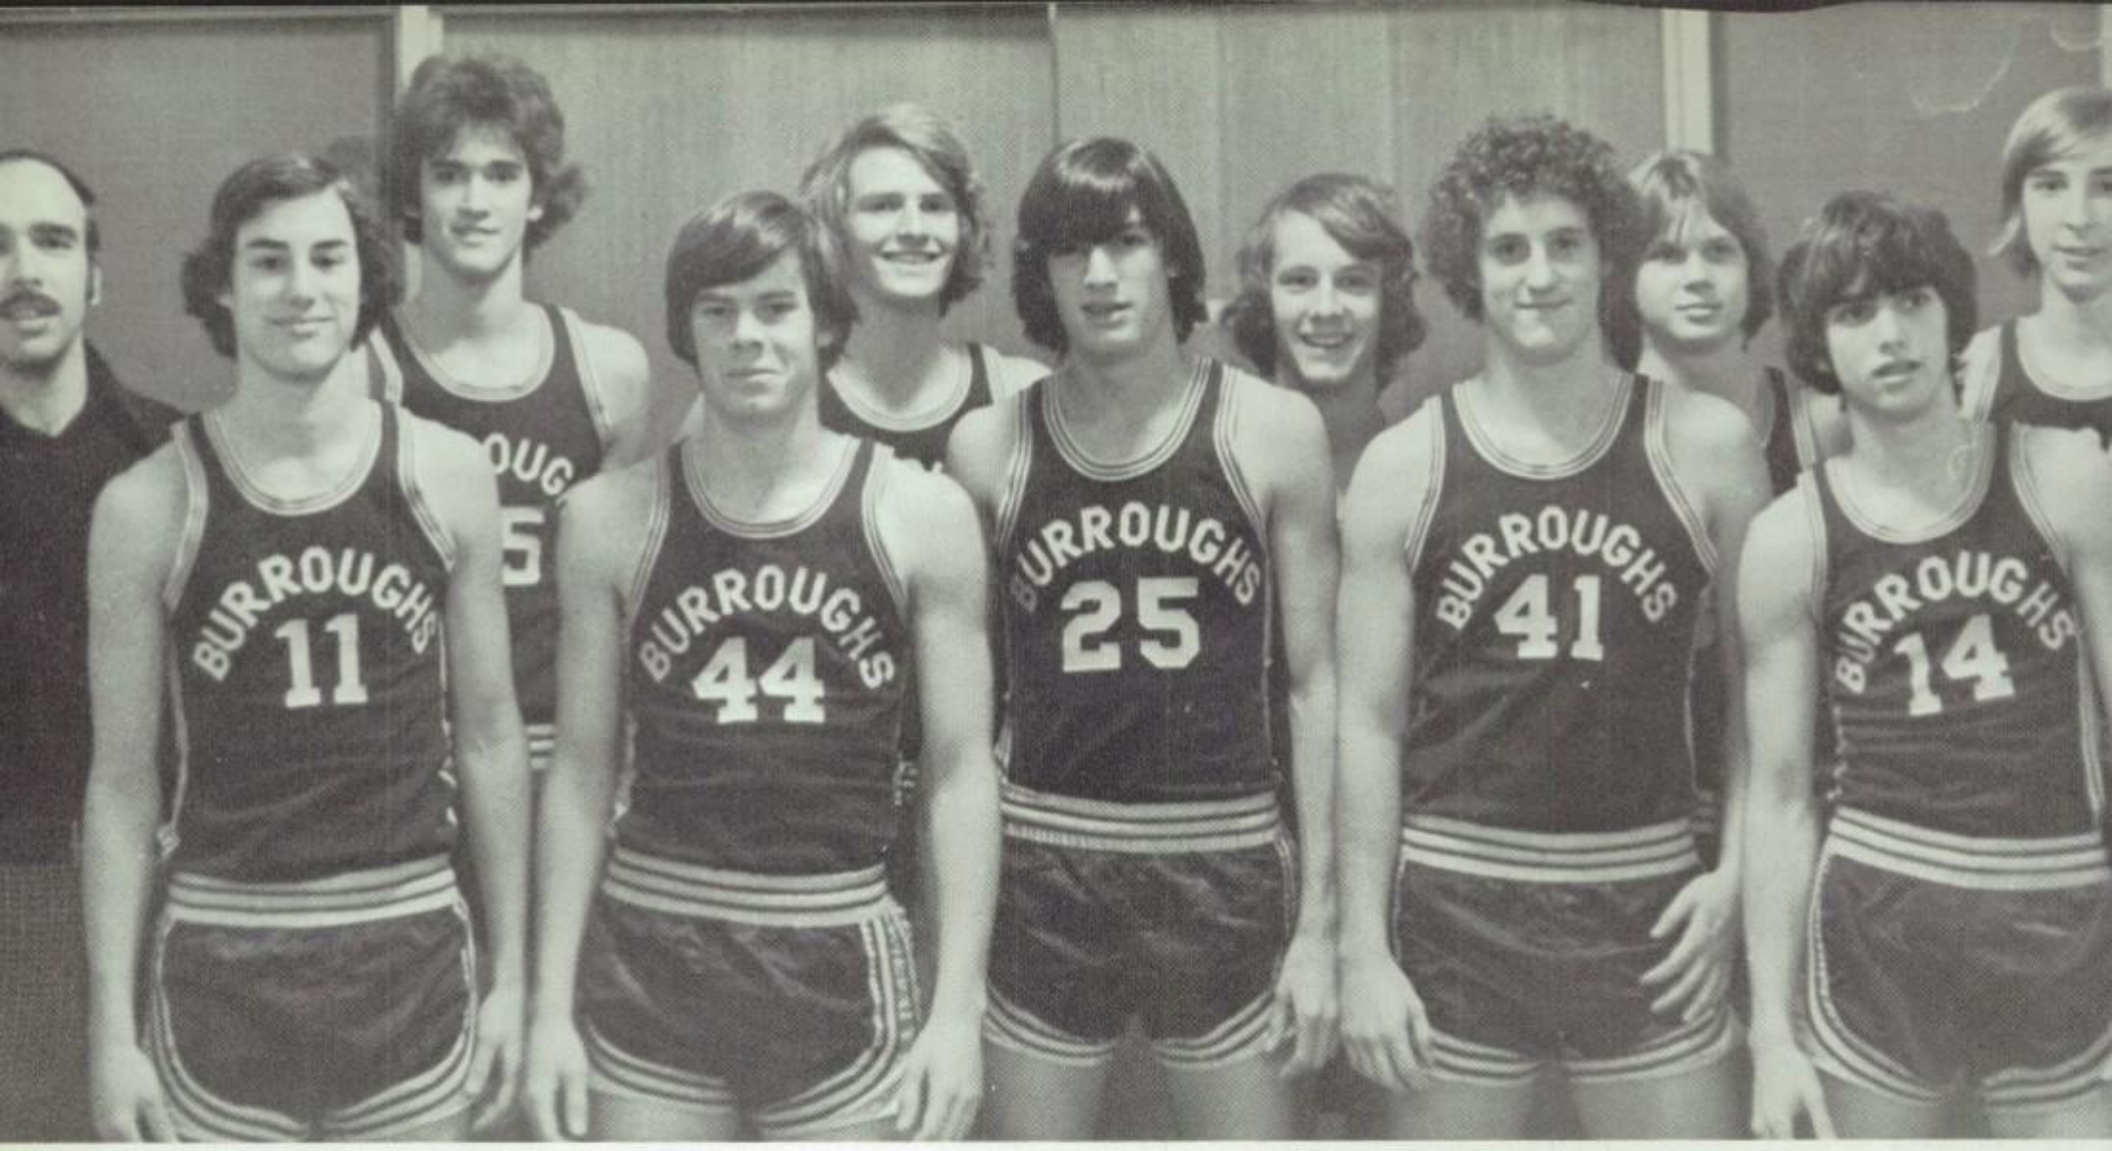
Gymnastics Varsity

The Gymnastics Varsity showed great talent on all pieces of equipment, on the trampoline the flippin' four were Carrie Hamilton, Tammy Holekamp, Julie Burst, and Cathy Woods. Floor exercise was done by Ann Unterburger, Leigh Hobler, Lyn Enzeroth, Julie Burst, and Cathy Woods. Margaret Lebens, and Lyn Enzeroth did exercises on the Balance Beam. The Uneven parallel bars were performed on in the evening show by Nancy Reed, Julie Behrens, and Lyn Enzeroth. The whole varsity did vaulting and flips off the springboard.

Since the team consists of freshman, sophomores, and juniors--there is much promise for next year's team. All of the gymnastics varsity felt that it was a rewarding season and would like to thank Mrs. Pliakos for her fine coaching job.



FIRST ROW: Rosenfeld, Duncker, Levis, Baine, Pittman. SECOND ROW: Mr. Moore, Grady, Forsyth, Marsh, Krause, Hellmich.

"A" Basketball

This year's varsity basketball team far exceeded any pre-season expectations. Behind a stingy defense and a surprising offense, the Bombers finished the regular season at 16-6. Their 7-3 record was good enough for a second place finish in the ABC League. The teams's success can be traced to both individual balance in scoring and ability, and well-coached disciplined play. Although graduating are four starters--Steve Duncker, Ted Levis, Bill Hellmich, and Tom Pittman--next year's prospects look bright. Sophomore John Grady, this year's starting center, showed great potential and should have two great years ahead of him. In the regionals the team was seeded first and has a good chance of advancing to the state tournaments. The team would like to thank Mr. Moore for his fine coaching.

Girl's "A" Basketball

This year's Varsity team of Bomberettes had an eventful year. We started our season without Kitty McMahon and Wendy Burrows, due to clumsyness and illness. They returned in January, and we began to pick up our pace. The seniors played round robin captian status, so Kitty, Wendy, Gail, Cheryl, and Janet shared the coveted honor. These leaders had dedicated followers such as Jane Krause, Anne Knight and Nancy Luehrman.

Two medals are given this year to Gail and Jane for successfully being uninjured the entire season. Because of rampant injury and sickness, Holly Perry and Stacey Cohn pitched in from time to time so that we could play with a starting five. We would like to note that Wendy Burrows had high scoring games of 27 pts. against Villa and 23 pts. against St. Mary's. Most of all, we want to tell Mrs. Keefer that her efforts in coaching us are most appreciated.

"B" Basketball

Although this year's "B" basketball team did not have an exeptional season, each member put forth much time and effort. Throughout the season, the team was continueously hampered by the loss of players to both "A" team and illness. From last year's team there were five returning vets--Lexie Haglin, Linda Holekamp, Ann Green, Patty Donovan, and Sallie Samuels. New members of the squad were Lis Jonsson, Holly Perry, Julie Sobo, Joan Levis and Stacey Cohn. The continued tradition of eating green M&M's and dinner before the Rosati Kain game will bring good luck sometime in the future. Until then the team will keep working hard and improving. The members of the team would like to thank Sue for her good job of coaching the "B" team.

FIRST ROW: Mitchell, Horwitz, Schmid, Hatfield, Essman. SECOND ROW: Saddler, Kallaus, Richter, Maurer. THIRD ROW: Hill, Holekamp, Rothbart, Guirl, Mr. Heath.

"B" Basketball

The 1975-76 John Burroughs "B" basketball team, guided by Dick Heath, produced a respectable, if not illustrious season.

The squad included four juniors, Essman, Maurer, Hill, and Richter, and last year's successful "C" Team. Yet, because of the lack of pre-season practice, and the absence of three players, the "B" team proceeded to lose eight in a row, four of which were league contests. The team kept hustling, however, and beat Principia by two and them pounded Prep South. The Bulldogs also came in fourth place in an eight team tournament. A tightly contested loss to the league-leading Lutheran South Lancers and three impressive victories against Priory, Codasco, and No. Co. Tech. followed the tournament. With two games remaining, the "B" team can reach a .500 mark in league standings.

Mr. Heath substituted freely, and Hill, Maurer, Essman, Schmid, Hatfield, Saddler, Horwitz, Mitchell, and Kallaus all had extensive playing time. Although there was a total team effort, Essman, Schmid, Kallaus, and Hatfield usually led the productuve but inconsistant offense.

This yera's "C" basketball team lacked overall size. With three games remaining, their record is 4-8 overall and 3-4 in the league. Because the team had no individual stars, everybody had a chance to play. The season was highlighted by the occassional brilliant baseline shooting of Willie Shearburn and the turn-around jumpers of Stan Martin. Mr. Westling provided excellent coaching and coaxed us on with promises of goodies from "Burger Doodle". Practices were highlighted by hiking to Community School and practicing on eight foot baskets. The whole team looks forward to playing on the "A" team next season. The team would again like to thank Mr. Westling for the season.

J.V. Basketball

This year's J.V. BASKETBALL team had an outstanding season, but even better it had great fun in the process. By combining the skills of freshman and sophomore girls with the coaching of Sue Lowell and Mr. Burst, a coalition that was nearly undefeatable was formed. The final victory over Mary I ended the season 7-2. Unfortunately, the girls began their season a bit premature losing to Webster twice in a row, but they became strong after Christmas with a winning streak which lasted throughout the season. The time and effort given by Sue and Mr. Burst was greatly appreciated, and it was portrayed by the good times the team had all season long. Thanks again.

The "Gophers" (or "Centerfolds" as we were known early in the season) had a flawless season unmarred by a single victory. Every member of the team was filled with spirit, enthusiasm, and the desire to have fun. Backing us were our loyal cheerleaders, Steve Maritz and Peyton Daniel. At the start of each game, to exibit our good will towards our opponents, we did our "Go Go Go Gophers" cheer. Emily Rubenstein stood out as the best dressed, wearing flowered long underwear underneath her tunic. Practices were just as enjoyable as the games, that is, when we had them, or went to them. During these games Louise Belt and Nancy Post could be found doing cartwheels, practicing for their bench cheers. All in all, it was a successful "season" lacking only victory. Our thanks go to Sue Lowell and Mrs. Keefer for finding time to work with us.

This year's 1975-76 A Soccer team produced a dramatic season with a tragic ending. After a very slow start of three straight losses, due to freak accidents, injuries, and lack of practice, the Bombers began to make a tremendous comeback. Within the next ten games the Bombers reeled off an unbelievable 7 wins and 3 ties. At this point in time, the season was interrupted by the ABC League Tournament in which Beckman's Booters lost in the opening round, but ended up winning in the consolation round. To win this important consolation tourney, the Bombers struck back at the Lucky Daises from CDS by destroying them 3-1. This game was highlighted by goalie Mark Shanfeld's booming goal.

The season finale was set up as the Bombers needed only a victory over Lutheran North and a loss or tie from CDS, who was playing Prin, to ensure an ABC League crown. Again without fail the hardworking "A" kickers defeated North 2-0, but, as usual, Lady-Luck favored Country Day, as they squeeked out a 2-1 victory. Therefore the Bombers ended up in a miraculously 2nd place finish 1/2 a game behind the so-called Champions of Codasco.

The club consisted of many stars in both offensive and defensive areas. The "soaring" Earl Gerfen nailed down 14 goals, and was followed by other front line stars such as John Medart with 5 goals and David Jones with 4. The midfield play was controlled by Steve Lewis who scored 9 goals. The stalwart defense was lead by Jim Beisman and Chris Tichenor. Backing these men-of-steal were John Schweig, Clark Costen, Joe Martin, and Peyton Daniel. In goal, stingy Mark Shanfeld had 5 shut-outs and at times played spectacularly. The departing Seniors would like to wish next year's team good luck in their venture for the crown. Despite his "No Post Mortem" jokes the team would also like to thank Mr. Raymond "Go ahead" Beckman for making the game of soccer a lot of fun.

"C" Soccer

This year's "C" team showed great potential for future years. With a 5-2-2 record, they finished second in league behind Priory. The team feels that they could have finished first if it hadn't been for several mishaps such as injuries and ski trips. Leading scorers were Chip Grace (4 goals), Glenn Forester (3), Strib Koster (2), Scott McNett (2), and Ricky Lippman (1). Although Don Whelan didn't score, he was probably the best forward and playmaker on the team. A strong defense headed by Murphy Rogers, John Goessling, and Flip Maritz warded off a bevy of balls by boundfully booting them out of bounds. Our part time goalie, Eric Porterfield, was scouted by the "A" team for his dramatic ball saving ability. The "C" team also had a small but aggressive halfback line including John Sheffield, Glenn Forester, and Jeff Rosenheim. The team would like to extend their thanks to Coach Gramse. Mr. Gramse kept the team spirit high by constantly telling jokes. The team wishes they could take him along when they move up to higher teams.

Girl's Soccer

If for no other reason, the 1975 girl's soccer varsity deserves notoriety and praise for completing their practice and playing the season within the short span of three weeks. However, the Bumblebees managed to produce a strong team and winning season in spite of the time limit.

The team, composed of members from all eligible grades, displayed an abundance of talent from the start and by the last few games showed great improvement in team work.

Queen bee, coach Beth Williams, promised that the coveted title of Bumblebee member was granted only through merit. No veteran favoritism swayed her team selection. Many returning soccer stars did make the cut including fearless captains Muffie Goodloe and Nicky Hilmer. To insure future success, coach Williams kept a close eye on young studs during tryouts. Freshmen Nat Grant and Cathy Woods captured Beth's attention with various displays of dazzling foot work, assuring Burroughs of at least three more years of high performance soccer.

Speed, agility, and comradery kept the Bumblebees on top throughout their brief season. Track stars Morrissey, Walter, L. Woods, J. Woods, Fleming, and would-be/has-been Sharp provided the lightning speed, unmatched by any opposition. Defense was also tough featuring Grimshaw, Avioli, and Walker.

All in all, the Bumblebees showed good individual skill and great team potential. Perhaps next year some of the more astute at J.B.S. will be fortunate enough to catch a Bumblebee game; they are a real honey of a team.

Wrestling

The 75-76 Wrestling team compiled a dual meet record against tough competition of 5-6 hampered by some end-of-season illnesses. Tournaments found JBS to be a new power collecting ten gold medals and assorted seconds and thirds. By the end of the season we had moved into the no. eight spot in the METRO area among schools with 1000 students or less. Sickness notwithstanding, a third of our team (Hecker, Cummins, Ullman, and Kayes) mived into the state qualification round from District. From here, Matt Kayes moved on to the State finals where he placed fifth in the 105# weight class from a field of over 100 contestans.

The team, the largest in many years, included Seniors: RICH pinkus PARNAS, GIL Mr. Journalism HECKER, PAUL where's your uniform ULLMAN, DON from the jaws of victory WILSON; Juniors: MATT Mr. Modesty KAYES, DAVE always an animal SHERMAN, STEVE is this an away meet? Last but not least, we shouldn't fail to mention our faithful scorekeeper, CHRISTY Little Hask HASKINS.

Post-season brought the ever bounteous FEAST and it was rumored that Sparks was going to bring an entire cow, a small one of course!

Many thanks to uor seniors for years of hard work, victories, and good times. Next year with this fine slate of underclassmen promises great things to come!

A Volleyball

Volleyball is one of the most exciting sports Burroughs has to offer. Contrary to popular belief, it takes much skill and endurance. The "A" and "B" teams last year were filled with spirit and displayed much potential. They ended the season with 4 defeats and 11 losses.

New players who were novices to the experienced game made up the "B" team. The season ended with an unimpressive record of 0 and 15.

Next year will bring more skills, an experienced coach, and hopefully more wins and school support.

Girl's Track

The girls track team was superb this season. The team consisted of twenty members; each participant contributed her own talents.

The team's best showing was at the Parkway North Invitational. Running on a broken foot, Lauren Woods placed third in the 880 yard run. Nicky Hilmer took a fifth and a third in the 880 and the 440 respectively.

The 440 and 880 yard relays were also spectacular. The 880 yard relay placed fourth in District. Although the time was not sufficient to qualify for state, it was an excellent showing for a small school.

Because of the increasing interest towards track in the district, the competition becomes greater each year. Hopefully next year, some girls will qualify for state.

In dual and tri-meets the track team had a 7-4 record, losing to Lutheran North, Lutheran South, Principia and Lafayette.

The tracksters enjoyed a fair amount of success at each of their large meets except Flo. Valley. We'll just laugh about that one and forget it. At the well manicured track of Gay Field the Thinclad's 440 yard relay team (Schmid, Lemp, Trulaske and Gerfen) and the mile relay team (Wykes, Geissal, Trulaske and Gerfen) both picked up first places in the Clayton Invitational. The team finished sixth out of fifteen schools.

The Thinclads won the district meet as thirteen boys qualified for state: the 2 mile relay team of Evan Wykes, John Symington, Terry Rassieur, and Wes Geissal; Todd Schnuck in the high hurdles and low hurdles; Steve Trulaske in the 100, 880 relay and mile relay; Earl Gerfen in the 440, 220, long-jump and mile relay; Wes Geissal in the 880 and mile relay; Steve Schmid, Shep Parke, and Bill Lemp in the 880 relay; Evan Wykes in the mile relay; Joe Sparks for the shot-put; and Bill Knight for the pole-vault. Five of the thirteen qualified in more than one event and Burroughs was represented in twelve of the seventeen events at the state meet.

A trip to the State Track Meet is always an honor, but certain features of the '75 trip made it rather bizarre. The Thinclads arrived at the sprawling metropolis of Centralia, where they were put up at a luxury hotel with one room containing six beds for the thirteen tracksters. The night brought flying icecubes and pillows with an occasional burst of noise while the morning brought a 6:30 trip to Columbia for a select few to take Achievement Tests. Results of the meet were a second place in the 880 for Lester, a second place in the 220 for Pearl and a fifth place in the 2 mile relay for Geissal, Symington, Rahoo Rassieur and Wottle Wykes. The highlight of the day was a first place for the mile relay team of Trulaske, Wykes, Geissal and Gerfen. The team finished fifth in the meet, and perhaps could have won had it not been for scratches, bad handoffs....

In the ABC Medals Meet the Thinclads did not do as well as in district but placed a respectable third behind the two Lutheran schools. The mile relay was the only first JBS could pull in, but there were many seconds through fifths which helped the team to its fine finish.

Many bow-wows must go to the coaches D. O'Keefe, el sẽnor Carinci and Denny Moore.

Girls Softball

Although the girl's softball team did not do as well as they had hoped, they went through the season with a tremendous amount of spirit and enthusiasm. The team, consisting primarily of freshman girls, was coached by Mr. Peyton who was kind enough to give his time. The girls played a tough schedule consisting of 12 games and finished with the best season in three years. The team has great aspirations for next year since most of the starting line will be returning.

This year's "A" Baseball team had a mediocre season. Plagued by injuries, the club had a record of 7-10 overall, and 3-7 in league. The team seemed to be inconsistent with big defeats at the hands of Lutheran South, Lutheran North, and Berkeley, but also with victories by seven runs or more over Country Day, Hancock, and Ellesberry. Undoubtedly, the highlights of the season were Bill Hellmich's 8-0 one hitter over the Daisies and Peter Hamilton's opening game "grand slam". The team would like to congratulate Bill Hellmich and Jerrold Wilkins on their great seasons with the bat and on the field. They were named first team All-League. Peter "Ace" Hobler was named second team All A.B.C. League. All in all, the players had a fun season, despite the practical jokers. The team would like to thank the coaches, Mr. Lemen and Mr. Heath.

Following in the footsteps of last year's "B" team, the 1975 Bulldogs finished in third place in the league, behind Lutheran North and South. The team did well in non-league games, and completed the year with an overall record of 8 and 4.

The squad, led by Coach Jim Stevens, went into the season with an ample supply of talent. Pitchers during various parts of the season were Gino Gabianelli, Tom Rosenfeld, Jason Stromsdorfer, John Maurer and Gene Austin. Joe Martin did a fine job behind the plate, and other players of note during the year were Pete Strassner, David Boles, and "Squeaky" Bob Paletta, who provided a great deal of vocal power.

Although the team did not win it all, we had a good time and hopefully showed some of our many loyal fans what "B" team baseball is all about.

C Baseball

This year's "C" baseball team had its ups and downs throughout the '75 season. Beating Country Day 32 - 3 was considered the high point of the season. The "C" team not only beat the Daises once, but 3 out of 3 times in the year. The downfall of the year came after the "C" team lost their third game to Lutheran North. All in all, the Eagles had a winning season of 5-4. A special thanks goes to our great coach, "Grover" Crabtree.

The '75 JBS girls tennis team had a record of 9-2. In the last few years the team has been steadily improving. For the first time in almost a decade the squad defeated Mary I in perhaps the most exciting match of the season.

The team was composed of thirteen returning veterans and five rookies. Much of the team success was due to the coaching job of Sue Lowell. The team worked hard for each victory. With most of the squad returning for the '76 season, the team should be even better than the '75 season.

Golf

The 1975 spring season was a rebuilding year for the golf team. The golfers were very young with only one senior on the squad. The team finished second with a league record of 7&3, and an overall record of 9&7. The golfers were given a moral boost about two weeks into the season when when Steve Dunker hung up the baseball spikes and hit the linx.

The top four, comprised of junior Ted Levis, sophomores Bill Essman and Bob Klostermeier, and freshman youngster Joe O'Keefe, trudged threw a rain damped district tournament. Klostermeier was the low man as the team did not advance to the state tournament.

With the top four, and many others returning, the team looks forward to a bright new season.

The "B" Tennis team had a mediocre year, as the number of losses was greater than the number of wins. Although the record doesn't indicate it, there were many fine players on the team. Ted Haglin played well in the first singles spot and Fred Rowland, David Jones, and Jeff Arrick also had many convincing wins at the first doubles position. As usual Country Day had a strong team and Burroughs, while winning individual matches, couldn't put it all together. While it is uncertain as to whether or not any of the players will move up to "A" tennis, the entire "B" team would like to thank Mr. Schmertz for an enjoyable season.
